2019 Field Trip Schedule

Aug 17th Field Trip is down south by Pelican point We will meet across the street from Pelican Point by Utah Lake Geneva sign on the west side of the road at 8:00 A.M.

Rocks will be Root beer agate, Onyx Calcite, Yellow to white Onyx, Wonder Stone, Geothite/Limonite after Pyrite, and petrified seashell fossils.

Since there is a LOT of Shooting in the area it is advisable to wear bright-colored clothing (or hunters Orange vest) so that you can be seen.

Bring: rock pick or hammer, sledge hammer, chisels, buckets, hat, sunscreen, eye protection, gloves, chair, lots of water, lunch/snacks, and whatever else you need. An umbrella is always nice if you're sensitive to the heat.

***You will need a State Trust Lands Rockhounding Permit for this trip. ***

The sites are accessible by car; however, high clearance vehicle is recommended.

There will be another Rock Club joining us. You will be requested to sign a release form in case of injury, that you will not hold me (Colleen Edwards) or Tooele Rock and Talk responsible. You will not be allowed to continue if you do not sign. This form will need to be signed each time you go on a field trip with me.

Please let me know if you have any questions. Thanks for enjoying my love of rocks with me!
