

Beehive Buzzer

May 2019 Volume 47 Issue 5

The official Newsletter of the Beehive Rock and Gem Club, Ogden UT

Monthly Meeting Program

This month's meeting, May, will be a lesson on how to operate your GPS. It will be a basic course on how to use your GPS by getting your location, determining distance, track your steps, read elevation and altitude and setting way points. Please bring your GPS units with you to the meeting so we can talk about any questions you might have about your unit. We will also discuss the best GPS for your use.

Tuesday, May 28, 2019

We have not received any suggestions for what trips you would like to go on or if you know of a new place we have not been to. Do some research and give us the information so that we may do more research and find some new places to hunt. Also, if there are samples of rocks on you new places bring a sample in to show others so that they know what they are looking for.

If you are still wanting a Beehive T-Shirts be sure to get ahold of Dave Law as he has t-shirts available.

Great Volunteer Opportunities

We are still in need of a Program Chair and Facebook Manager. If you are interested, please contact Jason Meyer at (801) 690-6479.

Address to send payments for club dues:

Beehive Rock & Gem Club

Po Box 1011 Ogden, Utah 84402
