The official Newsletter of the Beehive Rock and Gem Club, Ogden UT

Tuesday September 22, 2020 Monthly Club Meeting

Golden Hours Senior Center, 650 East 25th St, Ogden

September 22, Program: Babette Nelson

“Hi!” to all our Rock Hounding friends! Do you know why we wrap children’s Birthday or Christmas presents? Not to keep them hidden, (well, maybe for a little bit,) but mostly so we can watch the anticipation and joy on their faces as they tear the wrapping off and get to the “prize.” When you’re alone and you see a spectacular sunset, don’t you wish you could share it with someone? So – what does this have to do with our Rock Club? EVERYTHING! When you dig up a really cool rock, or cut/break open a geode...it’s like tearing off the wrapping and finding the treasure inside. When we love something, or find something exciting we want others to experience it too. So, this month we’re going to share some ideas on why we love Rock Hounding and how we can share those experiences with our children or grandchildren, or even our friends. And – there are going to be some fun surprises for everyone, and even some guest entertainers. Yes, really! So come and share a fun time with us! Babette Nelson
