Note from the President:

Hi Fellow Rock Hounders!

So glad we were able to do a quick change up with our monthly meeting and meet by Zoom last month due to the closure of Golden Hours. We didn't have as many of you on zoom as we had hoped but we had a fun time with those that were on showing and telling about our favorite things we did with our rocks! Thanks to everyone who shared. Golden Hours is back open this month again and we will be able to get together.

Debbie

Monthly Program:

Did you ever want to learn or were interested to see how WIRE WRAPPING is done? This month we have the privilege of having Dean Bennett, who teaches wire wrapping at Hill Air Force Base, work us into his busy schedule and present a program on wire wrapping techniques.

Looking forward to seeing you!

Babette and the Program Committee

Field Trips: Looking forward to seeing where we will be going for the year as that schedule will be announced in March!

We are reaching out to all of you to see if anyone would be willing to step into the Editor position. We need you desperately! Please call Debbie Larsen and talk to her about it. 385-319-2808 Thank you!

We are extending the time to pay your dues and be in the Club Directory to February 22nd, the time of our club meeting.

Something to look forward to:

We wanted to give you a heads up that at our August club meeting we will be having a "Show, Tell or Sell" time along with our big potluck dinner.

What that entails: Anyone who is interested in bringing something that they would like to Show or Sell (cabochons, jewelry, craft items, etc.) that night to the club meeting please do. We will have tables set up for you to put your items on. So, if you are interested, we will have a signup sheet in a couple months. More details to come!
