People say there is a lot of construction on the road from Idaho going south to Jackpot. They are suggesting we drive to Wendover and turn north at Wells on Interstate 93, to get to Jackpot.

For the Rock trip to Texas Springs, some people will be using the hotels, some will be camping in the RV Park behind Cactus Pete, some will be dry camping. Friday morning everyone will meet at the Cactus Pete parking lot at 6:00 am for the Friday morning exploratory trip.

If you are still wanting to our Beehive T-Shirts be sure to get ahold of Dave Law as he will be the one taking the orders.

Rock Identification Boxes

The Club will be doing a project together of assembling another "Rock Identification Box" for each family so that they have a "Reference Library" of the rocks we go out rock hounding for on our field trips. **This Box will have totally different rocks than the box we assembled last year.** Even if "You" are already an expert this is also a great tool to put together to give to your kids or grandkids to help them learn about the different types of rocks.

The cost of each box including the rocks and labels will be **\$6** payable at the meeting which is when we will assemble the Boxes.

Please remember to get your rocks to Debbie and Tom, or Jason. If you have not, please remembered to bring them to the meeting. We would like all of the members to participate in this project. If you don't want a Rock Collection Box you may donate it to the club after you have put it together to give to future new members. Just think how nice that would be for a new person/family!

Look forward to doing this project together,

Debbie and Tom Larsen

Great Volunteer Opportunities

We are still in need of a Program Chair and Facebook Manager. If you are interested, please contact Jason Meyer at [\(801\) 690-6479](tel:8016906479).
