Welcome to the New Buzzer!

In the last Buzzer (Nov-Dec 2017), it was mentioned that a new format to the Buzzer was in the works and would be unveiled in the first issue of 2018. Here it is! What do you think?

This will be a learning process so there will be changes as time goes on. The main focus of the Buzzer will be to provide the most important information by the most efficient means. It's

simple, easy to read, and less time-consuming to produce, with all the important and timely information you need. No fluff, just “meat”.

It might take a few months to get it right, so some patience is warranted. The board is interested in your feedback. If you have any comments or suggestions, please send them to beehivebuzzer@gmail.com.

There are other improvements in the works in how we communicate with each other. It is an exciting time to be a club member!

Great Volunteer Opportunities

Opening for New Program Chair-

The program chair puts together a program for our monthly meetings. The topics can be anything of interest to club members pertaining to the topics of rocks, minerals, gems, fossils, etc. Examples, include guest speakers, demonstrations, slide shows, videos, informative talks, etc. If you are interested, please contact Jason Meyer at [\(801\) 690-6479](tel:8016906479).

Opening for Facebook Manager

Do you like to post on Facebook? We are need of a Facebook Manager to monitor and post on our Facebook page. Minimal time required every month. If you are interested, please contact Jason Meyer at [\(801\) 690-6479](tel:8016906479).
