Hi Everyone,

Hope you had a fun and enjoyable Holiday Season. Ours was very nice. A lot of visiting with friends and family. Especially exciting to see our son Garrett and Alissa his wife. They have a 10 month old little girl named Jemma we got to see for the first time since, they are now living in Romania. She is a joy. Always smiling and laughing with you. My Achilles tendon surgery went well on Jan 2nd. Thanks for all the prayers. My pain is minimal. It's just hard getting around because I'm not supposed to put any weight on that leg. So, hopefully I will be able to go rock hounding by May. Yahoo!!!

Well, our first month of the year has come in with a Bang! Snow! Snow! Snow! I know that is great for Snow lovers! Just as long as it stops by April so we can start Rockhounding!!! Our Field Trip and Program committees are going strong with new and interesting places to go and things to learn this year!

See you at the Potluck this month, Debbie

Our Christmas Dinner and Gift Exchange

We had such an enjoyable night on December 12th for our Club Christmas Dinner. There were 63 people that came to the Golden Corral. We had a delicious buffet with so many dishes to choose from! We also got to know more club members. What a lot of fun and such creative gifts everyone brought! It looked like everyone got something special.
