New Member Drive!

New Member Drive! We are looking to increase our membership. We all have had people, friends and family that have expressed interest in Rock Hounding and learning more about rocks and gems. What we would like to do is have everyone invite at least one new person or family to the clubs monthly meeting. When they sign up with the club you will receive a nice gift as a “Thank you!” Thanks for your interest in helping keep the club strong in numbers and by bringing in new people they also bring in fresh ideas and enthusiasm!

If you are **not a member** of the Rock club you are welcome to come along to **2 field trips** per year. After that we will ask you to become a member of the club.
