Note from the President

Hi Fellow Rock Hounders,
We are definitely into the Fall weather now! All the members that went to our last field trip of the year at Floy Wash, Utah had a marvelous time. Such good fellowship with the people we call our friends. So many places to go to find beautiful rocks there. See all the pictures of the trip in this buzzer. Our Christmas Craft Market which we are looking forward to had to be rescheduled From November 7th to November 14th due to scheduling difficulties with Golden Hours Senior Center. Thank you for the support to all of you who wanted to be part of the Christmas Craft Market and can participate on the New Date and to those who are not able too. All club members please help advertise and put out the new flyers (which have been emailed to you) and tell your friends and family. It should be a fun time!

See you all at our October meeting,

Debbie

PROGRAM

Logan's Rocks That Really Radiate!

Get ready to rock!

Our October program will feature **Logan Knight, our resident geologist**, who also happens to work at Kennecott Mine will share his knowledge of radioactive rocks and bring along actual specimens for us to examine.

With a degree in geology and plenty of firsthand knowledge, Logan is the perfect person to guide us through this fascinating topic. Come see some unusual rocks, learn what makes them radioactive, and maybe look at geology a little differently afterward!

2027 Club Dues Are Now Due!

It's time to renew your club membership for 2027!

Thank you for your continued support and membership. We look forward to another great year together!

The Christmas Craft Market

Everything else has stayed the same

If you are now interested in having a table and hadn't signed up before, please text Debbie Larsen at 385-319-2080

Hey everyone,

The Christmas Craft Market date has been changed from **November 7th to November 14th**. Due to scheduling conflicts with the Golden Hours Senior Center, we've had to move the date to the 14th.

I know a lot of you had placed flyers at different businesses with the old date. If you could change the date on the old flyers to the 14th, that would be great. I am also sending new flyers with the correct date if you would like to reprint them.

If the change in date makes it possible for you to participate in the Christmas Craft Market now, or if you have any questions, please **let Debbie Larsen know at 385-319-2808** as soon as you can.

Schedule:

Friday the 13th
3:00 PM – 4:00 PM: Set up tables and room

Saturday the 14th
9:00 AM – 10:00 AM: Set up your crafts at your tables

President – Debbie Larsen is running for that position again.

Secretary- Kathy Stevenson is running for that position again.

Treasurer – Tom Larsen is running for that position again.

(Anyone who would like to run for any of the officer positions please let someone on the board know. Thank you)

Field Trip Coordinator is needed for the 2027 Year

Darrell and Darlene Mc Roberts are passing the baton to the next person who would like to coordinate the field trips. The coordinator asks members volunteer to lead a field trip. Then organizes the field trips for the months April through October and helps the leaders put the information in the Buzzer. The leader has members sign up for the trip and meets them on the date of the trip and shows them the spots of the fun rocks they will be finding.
